

MILK ORDERS

Milk is available for students at lunch time. Only the students who have paid for milk will receive it. Please remember that you are welcome to send a bottle of water along with your student's lunch but **sugary beverages are not allowed.**

3K/4K students who do not stay in aftercare are not here for lunch so you do not have to think about ordering milk for them. 5K students will only be here for lunch beginning 2nd semester so they only need to order milk if they are here for aftercare during the first semester. Beginning second semester, 5K children will be here during lunch. When that begins we will offer you the chance to order milk for your child. **Please do not mark them down for this now unless they will be drinking it during aftercare.**

Children in Aftercare may order milk also. This milk must be ordered now, at the beginning of the year, for the entire year. This will allow your child to have milk anytime they are in aftercare during the lunch hour.

The cost listed below is for the entire school year. The reason this cost is quite low is because we report to the State of Wisconsin how many cartons of milk we distribute each day and they, in return, send us a portion of the cost of that milk.

Please fill in the order form below and return it to school (with payment to OCS) at our finance night in early August. Please be sure to indicate what flavor of milk each of your students will be taking.
