

# GRANDPARENTS' ADDRESSES

**If you are a new family**, please fill this out for our records. We use this information to mail invitations to our annual Grandparents/Grandfriends Day, and other updates concerning our school. You may add additional people on another sheet if necessary. These do not necessarily have to be biological grandparents, but perhaps family friends who would enjoy coming to Grandparents'/Grandfriends' Day in November. If you have questions, please call the school office.

**For our returning families**, we have updated our records with the information from last year. If you have **ANY** change in the family situation in the last year, whether they have moved, been deceased or other information that has changed, please fill out the record below as complete as possible.
